

Saint Joseph

REHABILITATION *and*
NURSING CENTER

October 17, 2020

To Our Residents, Family Members and staff:

We want to inform you that we have received confirmation that a staff member at Saint Joseph Rehabilitation and Nursing Center has tested positive with COVID-19. Resident safety is our top priority. We have initiated our re-emergence protocols, which includes testing of all residents and staff. Saint Joseph Rehabilitation and Nursing Center is staying in very close communication with local and state health officials to ensure we are taking all the appropriate steps.

We will contact you if your loved one is suspected or diagnosed with COVID-19.

We know this is a difficult time for everyone. We will continue to provide you with updates as they become available. Our website is updated daily or more as needed. Please visit stjosephrehab.com for details.

Sincerely,

Jeffrey Diminico
