

Traveling

If you have recently travelled in the U.S to any other state(s) than Massachusetts, you MUST quarantine upon return to MA for 14 days. You must also disclose this information to us upon arrival to your family visit. If you haven't quarantined, you must do so before returning to visit with your loved one.

Please reschedule your appointment accordingly.

Reschedule

If you're experiencing symptoms of COVID-19 or are feeling unwell, please call and inform us. We are more than happy to reschedule your family visit when you are feeling much better.

**Thank you for supporting
our efforts to keep our
residents & staff both
healthy & safe!**

**SAINT JOSEPH
REHABILITATION &
NURSING CENTER**

Family Visits-Information-
Times-Guidelines.

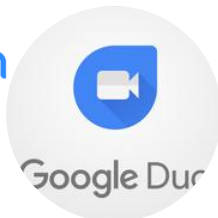

LET'S KEEP FAMILY VISITS SAFE! INDOOR VISIT REGULATIONS

Visits will take place in the designated area off our main dining room on the main floor. Visitors must enter through our side door-adjacent to our dining room and be screened by a staff member before visits take place. The duration of the visits will be limited to no more than two (2) visitors at a time. We encourage visitors to be responsible and respectful of the time limit(s) so please be punctual with your scheduled time.

Virtual Visits

If you're unable to make a visit, we also offer another way to see your loved one, by virtual visits using-

- Facetime (Apple Users Only)
 - Skype
 - Zoom
- Google Duo
- Facebook Messenger

***NO ONE UNDER THE
AGE OF 18 IS
ALLOWED TO ENTER
THE FACILITY***

Other Information

If any visitor who enters this facility develops symptoms of COVID-19 within two (2) days of exiting the long-term care facility they must agree to notify the facility immediately, with the date they were in the facility, individuals they had contact with and locations.

Visitors are required to sign their initial on the screening form that states this requirement before being allowed entry to the facility.

**FAILURE TO AGREE WILL RESULT IN A
TERMINATION OF VISITATION.**

All visits must be scheduled prior with our Life Enrichment team. Visitors **MUST** practice social distancing with their loved one throughout the visit.
